

A.P.A.T. Walk-through

Stage One

Task 1 : Find the suspected plaza

After receiving a call from Agent Z, call Lotus and tell her the suspected plaza – Castle City.

Task 2a : Preliminary verification of the target plaza

Walk around the plaza within 5 mins to obtain a 20% or above coverage. You can show the map by pressing 'm' and can also see the percentage of coverage. When looking around, you will find a Quiz Room, which appears in each stage. It is a place where you have to answer 20 questions and increase your PA. After looking around, go back and meet Lotus who is standing inside the car park.

Task 2b : Locate suspected software house

Locate the suspected software houses: Peach Garden, East Sun, West City, South Harbor and North Ocean.

Task 3a : Take photo of target's activities

Take photos as evidences for piracy activities. You will hear a sound if the photo is taken of good quality. Hint: at North Ocean, take photo of a kid (in blue T-shirt) putting money into a box to buy software; at West City, take photo of the shopkeeper (an old man) dealing with customers in queue; at East Sun, take photo of a kid (in yellow T-shirt) holding a software package and talking to the shopkeeper. After taking the three photos, go back and meet Lotus. She will give you comments about the quality.

Task 3b : Collect information from the customers

Talk to a customer (in orange T-shirt) inside "North Ocean". – "North Ocean? Just one look"
 Talk to a customer (in orange T-shirt) inside "音深 CD 場". – "The men standing in front"
 Talk to a customer (in orange T-shirt) outside "East Sun". – "The people queuing at"
 Talk to a customer (in blue T-shirt) inside "East Sun". – "Only regular customers can buy"
 Talk to a customer (in yellow T-shirt) walking out from "Peach Garden". – "There is a certain connection"
 Go back and meet Lotus after talking to all 5 people.

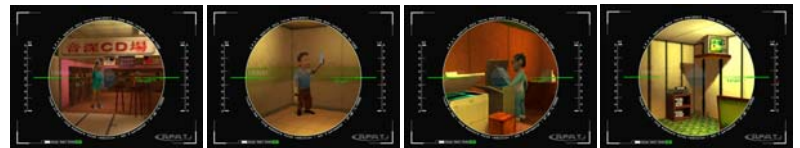

Task 4a : Buy a pirated CD as evidence

Go to "自由軟件店", talk to the man standing beside the window. He will give you a disc. Then, go to "North Ocean", walk to the box the kid facing. You will pay the money there and complete the buying.

Task 4b : Take photos of other piracy activities

Go to "音深 CD 場", take photo of the man selling pirated audio CD.
 Go to "好有名書店", take photo of the man selling illegal copies of books.
 Go to "特快影印店", take photo of the man photocopying a textbook.
 Go to "大理茶餐廳", take photo of showing video recordings of movie in public.
 You will hear a sound if the photo is taken of good quality.
 Go back and meet Lotus after finished.

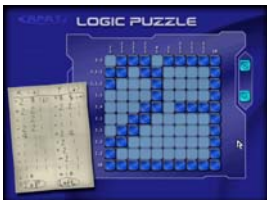

Task 5 : Contact an informant at shop 1088

Go inside "Shop 1088", a man will pass you a note. Go back and talk to Lotus afterwards.

Task 6 : Solve the logic puzzle

It gives you a keyboard to type in the password, but you will not know the answer at this moment. Then you will obtain a logic puzzle sheet. Challenge the logic puzzle again, the answer is: 23

Task 7 : Find out the storage place of pirated disc

Talk to the shopkeeper inside "West City" and say the password to him. He will tell you to wait for 30 mins. Go back to the car park, talk to Lotus. After taking a rest, go back to "West City", give the note to the lookout standing at the front door. He will lead you to a storage place on 1/F. Talk to the guy and he will tell you to pick up the black plastic bag labeled with "No. 23". Take a photo of the storage place. You will receive a call from the Headquarters.

Stage Two

Task 2 : Supply information about the suspects

Lotus asks you some questions. Please pay attention to the number of people involved and their dressing.

Task 3 : Shadow assigned suspect

The target appears. Your task is to tail after him carefully without being discovered. Do not RUN within the building and use 4D communicator, or you will be caught under surveillance camera. Follow the target up to Flat 3A. Remember to visit the Quiz Room to increase your PA.

Task 1 : Monitor suspected activities outside Tengoku building

After the black van has gone, you will receive a call from Lotus.

Task 4 : Affix the CCTV camera

Lotus gives you a toolkit for affixing the camera. Walk to the lift opposite to Flat 3A and the procedure will be completed automatically.

Task 5 : Solve the code breaker

Solve the puzzle by first entering the numbers. Then, read the numbers in "Z" pattern. The password is 1287596.

Task 6 : Collect evidence in the unit

Inside Flat 3A, there are 10 areas that have information and evidence. Each area, you have to click a few times to retrieve the useful evidences. A number of geomantic elements can also be found.

Task 7 : Defeat and arrest the guard

Choose different geomantic elements (press '1' / '2' / '3' / '4' / '5'), release and defeat the guard. Keep a distance from the enemy to prevent being attacked.

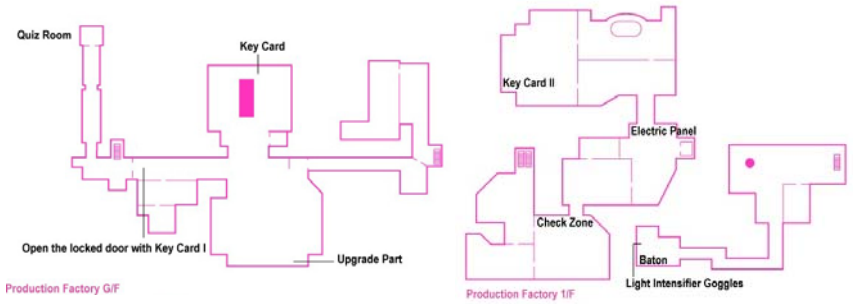

Stage Three

Task 1 : Trace the route used by the piracy syndicate

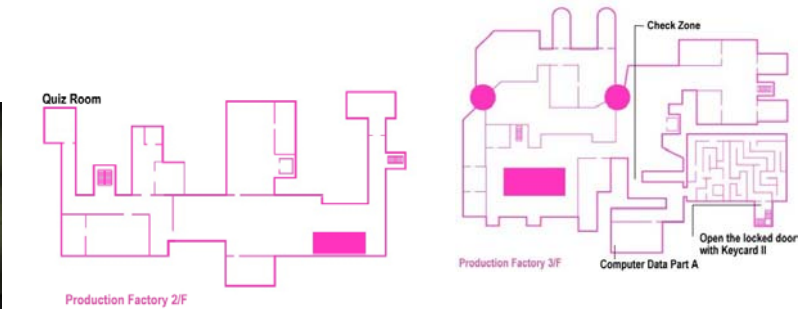

Talk to different people to collect information and find out the path "I-DOLL 911" drives past. Click on each person at least 2 times and then click "EXIT".

Answer: Ming Yen Road

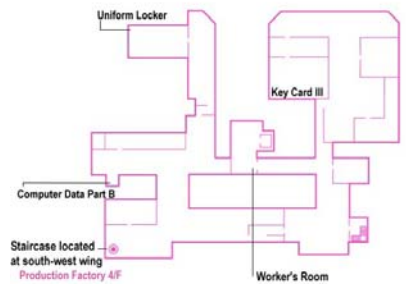

Task 2 : Break the electric panel

At G/F, pick up "Key Card I" and "Upgrade Part". Go to 1/F (east wing), pick up "Light Intensifier Goggles" and "Baton". Open the locked door at G/F using "Key Card I", then go upstairs to 1/F (west wing). Make sure you have KP 3 or above. Pass through the "Check Zone". Use the "Baton" to break the "Electric Panel" in order to go inside. Pick up "Key Card II" at the same floor after breaking the "Electric Panel".

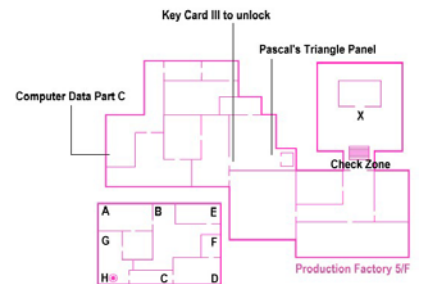

Task 3 : Force field maze

Go upstairs to 2/F, visit the "Quiz Room". Go upstairs (thru the east wing staircase on 2/F) to 3/F. Beware of dogs. Make sure you have KP 9 or above. Pass through the "Check Zone". Pick up "Computer Data Part A" inside a room. Then go into the "Force Field Maze". When you reach the end, use "Key Card II" to unlock the door and go upstairs to 4/F.

Task 4 : Pascal triangle panel

At 4/F, you can pick up "Key Card III", "Computer Data Part B" and "Uniform Locker". Go to the "Worker's Room", enter the lift. The lift is designed using the logic of Pascal Triangle to operate. Go to 5/F by entering: 15101051. If you want to go back to 4/F, enter: 14641.

Task 5 : Location of the final boss

Use "Key Card III" to unlock the door. Pick up "Computer Data Part C". Then you will receive a call from Agent Z. The screen displays a map where you should now go to location "A". In order to go there, take the lift back to 4/F and use the staircase located at south-west wing. After reaching location "A", you will be prompted to go to location "B", "C", "D", "E", "F", "G", "H" sequentially. Then you need to go back to 4/F, use the lift to 5/F and finally arrive at "X". Answer the question of code "卍".

Task 6 : Defeat the final boss

Make sure you have KP 12 or above. Pass through the "Check Zone". Inside the room, you will see the final boss – Black Wolf. Defeat him and you will save the world from piracy !!
